COVER PHOTO

The Karahnjukar hydropower project in North East Iceland is well underway. The project consists of three dams, a central concrete-faced rock fill dam and two smaller rock fill saddle dams.

4 NEWS *Cat contributes to Tsunami relief efforts; a motorcycle built in tough Cat style; brick making business counts wheel loader as part of their family painting; and wheel loaders featured on African currency.*

6 LARGE EXCAVATORS *Cat has overhauled its big guns. The 345C, 365C and 385C excavators bring a host of innovations to the market.*

8 QUALITY MANUFACTURING *Take a peek at our Gosselies, Belgium manufacturing facility as they celebrate 40 years of quality.*

11 PEOPLE *Meet Thamer Chakchouk, Manager of Kyrannis Travaux in Tunisia.*

12 HYDROPOWER FOR ICELAND *Join us for a tour of the construction of the highest rock filled dam in Europe.*

17 MULTI TERRAIN LOADER ROADTRIP *A salesman in Norway delivered a multi terrain loader in an unusual manner: he drove it more than 540 kilometres from Oslo to Bergen.*

18 785B CELEBRATES ONE MILLION KILOMETRES *A Cat 785B in North West Russia reaches one million kilometres with ten years of service.*
