

EAST SUSSEX COUNTY COUNCIL

TENDER FOR CUILFAIL TUNNEL REFURBISHMENT, LEWES

Contract value approx £2M

East Sussex County Council is seeking firms interested in tendering for the above contract.

Cuilfail Tunnel is currently lined with un-reinforced painted concrete. The works comprise the installation of new vitreous enamel tunnel cladding, an impact barrier at the base of the walls and new tunnel lighting throughout the 420m long tunnel, together with associated minor civils works and temporary traffic management. It is anticipated that tender documents will be issued in June 2008, with the works commencing early 2009.

Interested firms will be required to complete a pre-qualification submission, details of which can be obtained from:

Mott MacDonald, Attn Chris Bambridge, 20-26 Wellesley Road Croydon CR9 2UL.  
Tel: 0208 774 2956      Email: [Christopher.Bambridge@mottmac.com](mailto:Christopher.Bambridge@mottmac.com)

Closing date for pre-qualification return is 22 May 2008
